From the Race Director

UM Australia offers one of the greatest endurance challenges available anywhere in the world today, in a location that will take your breath away.

The race will be run under the core values of Ultraman – Aloha (love), Kokua (help) and Ohana (family).

Before sending in your application, do not overlook the need for proper care and training of your team members, and the considerable financial and personal commitments needed to successfully participate.

You and your team should all commit to arriving in Noosa by Tuesday 5 May (at the latest), and departing Noosa Wednesday 13 May (at the earliest). Try and find the time to explore and enjoy this incredible location with your team and families.

With these things in mind, it will be a pleasure to receive your application.

Thank you for your interest and support. I look forward to meeting you and welcoming you to the UltraMate family.

Sincerely,

Tony Horton
